

Volunteering at JPT

We offer volunteering opportunities to students that are interested in the fields of Physical Therapy, Physical Therapy Assisting, Occupational Therapy, Occupational Therapy Assisting, and Athletic Training. Many colleges require hours in clinical areas for acceptance into their programs. The amount varies between schools. We have opportunities to observe various exercises and treatments given in the gym to both injured and post operative patients. We also have aquatics, pediatrics, hand therapy, back programs and vestibular rehab.

Our goal is to provide professional care to our patient's and it is important that your attire reflect this professionalism. Dressing too casually, tight fitting clothing and extremes in make-up, hair color and style should be avoided. Please feel free to ask your clinical contact person any questions in you are in doubt of what is acceptable. Please adhere to the guidelines below. A school name tag should be worn at all times.
